

## → THE WORKSHOP

A quiet space overlooking our garden-like terrace, which you can privatize and modulate according to your needs... every set-up is possible!

# A HOTEL THAT'S FERTILE AND FULL OF LIFE

---

Hotel Rosalie settled in the heart of the 13<sup>th</sup> district, a stone's throw from Place d'Italie, well sheltered from a small shady avenue bordered by trees. Behind the high facade of the entrance, under the watchful eye of the Roman muses from the rooftop, hide a succession of gardens and terraces, to catch your breath feeling like you are away from the city.

From the 60 cozy rooms of the hotel to the herbaceous cocktails from the bar, nature also finds itself on the plates. It shelters you from the sun – time for a quiet coffee or a bucolic aperitive – and invites you to relax for just a few hours, or for a few days...

Our hotel is suitable for people with reduced mobility.
